IRRIGATION & CAD (PW-REFORMS) DEPARTMENT

G.O. Ms. No : 56

Date :24 -08-2011.

Read the following :-

1. G.O. Ms. No. 4, I&CAD (PW-Reforms) Department , dt:27.01.2011.
2. From the Engineer-in-Chief, ISP, Dowlaiswaram, Lr.No. CE/ISP/DCE /OT1/AE/TLIS/ , Dated: 20-06-2011.

ORDER :

In the letter 1st read above Government have permitted for drawl of 9.81 C/S of water (0.31 TMC per annum) from River Godavari near Tadipudi Lift Irrigation Scheme to M/s. Panduranga Energy System Pvt.Ltd., at Annadevarapeta (V), Tallapudi Mandal West Godavari District.

2. In the letter 2nd read above, the Chief Engineer, ISP, Dowlaiswaram, has stated that firm requested to accord permission to hire the land on lease for laying pipe line for water supply along the boundary of Tadipudi Lift Irrigation Scheme for a length 5.5 Km in the acquired land for Tadipudi Lift Irrigation Scheme pressure main. The Chief Engineer, ISP has also stated that based on the report of the Superintending Engineer, ISRM Circle, Eluru, that 40 Mts, width of land was acquired by the department for the pressure mains of Pump house No.1 of Tadipudi Lift Irrigation Scheme. The extreme left edge of pipe line is so laid that a distance of 6 mts is left to have sufficient space for movement of machinery during execution of work and also during repairs and replacements. In the main canal portion also, about 40 mts width of land was acquired on both side from km 0.00 to 2.50 Km (2.50 Kms). Further the Superintending Engineer has reported that the spoils bank was formed leaving a distance of 1 to 2 mts from the L.S. boundary with a view that any slippage of spoil bank and erosion of spoil bank is deposited within the L.A. boundary the Superintending Engineer has recommended for permission to lay pipeline below the ground level along the LA boundry on the left side of Tadipudi Lift Irrigation Scheme to M/s. Panduranga Energy System Pvt.Ltd., Hyderabad.

3. In the circumstances reported above, Government after careful examination of the proposal hereby accord permission to M/s. Panduranga Energy System Pvt. Ltd., Hyderabad for laying of pipe line along the left side L.A. boundry in 1 meter width for 5.50 Kms Tadipudi Lift Irrigation pressure main and main canal with the following terms and conditions.

Conditions :

- 1) The entire cost of laying of pipeline along with allied works will be borne by the firm .
- 2) The firm shall get the approval from the respective competent authorities, for the structures proposed at the crossings of drains/ canals etc.
- 3) The firm shall get the approval of the structures proposed for road crossings from the respective departments.
- 4) The firm should take care that the pipeline should not be hurdle to the flow of canals/drains etc., at any stage.
- 5) Necessary Royalty charges for permitting the agency to lay the pipeline shall be paid by firm as per the rules in vogue to the department.
- 6) The firm has to enter an the agreement with the department (i.e.) Superintending Engineer, IRMC Circle, Eluru in the prescribed format.

[PTO]

- 7) The firm should not cause any damages to the works of the department during / after laying the pipeline.
- 8) The firm has to deposit suitable amount with the department for restoration of damages if any occurred to the property of the department during / after laying of the pipeline.
- 9) Due to future improvements or repairs or any for other purpose of the department, if the pipeline is to be crossed or modified, the firm shall do it at their cost with in the time stipulated by the department and the firm should not ask for any compensation on this account, If necessary suitable deposit may be kept with Superintending Engineer or some authority.
- 10) While crossing the stream or roads, the structures of the department shall not be meddled or used (including protection works) by the firm.
- 11) The department reserves the right for cancellation of he permission without assigning any reasons thereof.
- 12) The firm shall abide any other conditions laid down by the Government/ department from time to time.
- 13) A detailed plan showing the location, the intake arrangements, details of pump house, conveyances system etc., shall be furnished to the department.
- 14) Non adherence of the any of the conditions by the firm entails cancellation of the permission.
- 15) The department will have the right to use the full land width for carrying out any repairs and improvements and the department will not be take responsibility for any damage that may be caused to the pipeline of the firm and the firm has to restore or repairs its pipeline at their cost without making the department liable for such damages.

4. The Chief Engineer, ISP, Dowlaiswaram , shall take necessary further action accordingly in the matter.
